CONCENTRATE

## Sanitiser / Deodoriser / Water Treatment

Chlorine Dioxide In Aqueous Solution (Approx 1000ppm)

ALPHASAN has been developed as a sanitiser, odour neutraliser and water treatment product for many applications. (All animal products except dairy)

### Food Washing Agent & Processing Aid

- Extends shelf life of raw foods
- Effective against Listeria, E.coli, Salmonella, Staphylococcus, Streptococcus & Norovirus.
- Non-toxic, non-corrosive and non-flammable.
- Removes iron / manganese from water
- Effective treatment for Giardia, Cryptosporidium and Rotavirus
- For drinking water at a maximum of 5ppm
- Highly effective for biofilm removal in icemakers (fresh & saltwater) and water pipelines.

### General Sanitation:

ALPHASAN is specially prepared for sanitation use in licensed & registered premises, after gross dirt has been removed by thorough cleaning. It must always be used at the dilution rates recommended by the manufacturer.

### Rates:

General Hard Surfaces	10ml / litre
Highly Infected Surfaces	20ml / litre
Odour Control	10 - 20ml / litre

Batch:

Best before:

Litres: **10**

### Conditions of Use:

1. This may be used as a no-rinse sanitiser on clean hard surfaces in licensed premises which are restricted only to the processing of fish.
2. Before use, all edible product and packaging material must be removed from the room or carefully protected.
3. After use, a rinse with potable water is not required but food contact surfaces must be thoroughly drained to minimise residues.
4. When used as a sanitiser in other licensed premises, surfaces must be thoroughly rinsed with potable water before production starts.

### Safety Directions:

- Do not mix with other chemicals
- Keep product out of direct sunlight
- For sensitive skin - wear rubber gloves
- Keep out of reach of children
- If accidentally swallowed drink 2 glasses of water and seek medical advice
- If concentrate is splashed in eyes flush with water for 10 mins, seek medical advice
- In emergency contact doctor or National Poisons Centre Ph: 0800 764 766
- Do not inhale fumes from the container.

**KEEP OUT OF REACH OF CHILDREN**

As the actual conditions of use and storage are out of our control, no liability is accepted for any loss or damage caused directly or indirectly through the use of our products. Intending users should satisfy themselves as to the suitability of this product for any particular purpose, by carrying out appropriate tests.
